

## **To my valued Sisterlocks® Clients:**

San Diego County has volunteered to take part in opening up salons early during phase two instead of phase three but at this time I must consider the health & safety of me and my family.

I do not feel comfortable resume taking clients until after **June 15th**.

Beginning next week I will be contacting my clients via text for appointment scheduling. There is no need for anyone to continue to call or text about being available for my first opening. I know all 40 of my clients want to get their hair done first.

I have put a great deal of thought and care into making sure our salon environment is as safe and sanitized as possible for you. New policies have been put in place and will be updated my website with that information soon.

While I won't be able to shake your hand or give you a hug, please know how excited I am to welcome you back. I value your business and the trust you place in me.

**Keep the faith. Remain hopeful. Let's stick together.**

Much love,

Cassandra Lawson
