Disciples Do Registration

Each discipleship unit consists of 3 meetings, each 1 week apart, (either by zoom or in person). Between meetings you will have daily assignments which guide you to practice the skills you are developing.

You will need to register with a partner who will participate in meetings with you and communicate with you between meetings for mutual encouragement and support.

After the last meeting you are encouraged to continue the discipleship practice that you have developed and to help others develop and maintain that practice in their lives.

Once we have enough participants, you will be contacted about available times.

Please sign up with a partner using this form.
