-Baptist Church-

Scripture for kids or Children's Catechism, is a summary of the principles of Christian beliefs in the form of questions and answers, used for the instruction of Christians. These series of questions are designed to educate and counsel kids through the decision for salvation and believers' baptism. The teacher is to utilize the questions and answers below to inform Christian beliefs, affirm faith-based decisions, or approve for believer's baptism. Notice the questions and answer are simple and basic for elementary aged children. Answers do not need to be word for word, but they do need to have the same meaning. The child is not required to answer every question correctly. We are looking for a biblical understanding of God, Mankind, Sin, Salvation, Church, and Heaven before baptism.
