

COMPANY PROFILE

CONNECTING EGYPT TO THE WORLD

Who We Are **SINCE 2022**

Polka Dot Trading is a multi-sector general trading company based in Egypt, specializing in the global trade of agricultural commodities, natural stones (Marble and Granite), Building Materials. It was founded in 2022 as part of the the big umbrella, Polka Dot Group, a diversified enterprise with decades of experience in various sectors.

Polka Dot Trading serves as the group's dedicated trading arm, leveraging strong supply chains and international partnerships to deliver fresh, frozen, and canned fruits and vegetables, along with high-quality marble and granite and other building materials.

02

OUR STORY

Polka Dot Trading was established with the purpose of uniting the group's agricultural and construction material ventures under one internationally-oriented trading brand.

MILESTONES

WHAT WE BELIEVE

INTERGRITY

SUSTAINABILITY

EXCELLENCE

INNOVATION

We operate with honesty and transparency across various sectors.

We embrace creativity and smart solutions that move industries forward.

We deliver high standards in every product, service, and experience.

COLLABORATION

GROWTH

We are committed to responsible practices that protect our environment and communities.

We grow through strong relationships and shared success.

Our Mission

Polka Dot Trading is committed to delivering high-quality products and creative services across marble and granite exports, and general commodity trading. We strive to serve our partners with integrity, innovation, and consistency—growing businesses and building long-term value.

We aim to achieve customer satisfaction and promote sustainability. Our goal is to provide top-quality export services through a professional and dedicated team, while continuously seeking global expansion.

Our Vision

To be a globally recognised group that connects diverse industries through innovation, integrity, and impactful solutions, empowering growth from the ground up, one dot at a time.

We envision a future where every division of Polka Dot Group leads with purpose, from exporting natural resources to shaping global markets through marketing and commodity trade. Our goal is to inspire progress, deliver excellence, and make every dot a part of something bigger.

The image shows five glass bottles of various colored liquids, likely juices, arranged in a row. From left to right, the colors are red, dark red, orange, yellow, and green. The bottles have a simple, slightly tapered design with a wide mouth. A semi-transparent dark grey horizontal band is overlaid across the middle of the bottles, containing the text 'JUICE CONCENTRATES AND NFC' in white, bold, sans-serif capital letters. The background is a soft-focus green, suggesting foliage.
