Welcome to the Gifting Gnome!

Can you believe how fast this year is flying by? Somehow, we've already reached the end of October—and that means the countdown to Christmas is officially on! As many of you know, we're huge Christmas fans, and the excitement is definitely building.

We've got so many festive ideas (and never quite enough time), but we're already busy rearranging the shop to make room for all the stunning creations our talented artists bring to life each year. And of course, our final Friday Night at the KNOB Community Market will be our Christmas Market—naturally! We've got plenty planned, so mark your calendars... you won't want to miss it!
