Newsletter - October/November/December 2026

Can you believe how quickly this year is flying by? Here we are and it's October already, which means Christmas is starting to make an appearance at The Gifting Gnome! 🎅✨ We're busy behind the scenes starting to rearrange the shop and make room for all the beautiful Christmas creations our talented artists will be bringing in over the coming months. There are always so many gorgeous things to fit in—and never quite enough space! 😆

We're also working on our Christmas workshop dates, with some fun and creative workshops planned for the lead-up to Christmas. We'll be putting the dates and details out very soon, so keep an eye on our page!

And of course, our final Friday Night at the KNOB Community Market for the year will be our Christmas Market! 🎄🎁 We've got plenty planned, so make sure you keep an eye out for all the details. The countdown is on… Christmas is coming to the Gifting Gnome! ❤️
