

PROUD SPONSOR OF THE NEWTON CAR SHOW 2023

We are honored to continue the tradition of the Newton Car Show. This year will mark the 19th year that Newton has been able to host one of the greatest car shows in the state, and we would be honored if you would help support the Mid Kansas Muscle Cars Club as we host Newton Car Show 2023. Each sponsor will receive a "Proud Sponsor of Newton Car Show 2023" sign that you may proudly display in your store/shop windows if you desire. We want to help you BOAST about your support for the entire year. During the Friday Night Cruise and during the car show on Saturday, we will have a 4' x 8' sponsor sign that will be displayed, listing each sponsor. In addition, we will list your name on our website & give your company a "SHOUT OUT" on our Facebook and Instagram (if ad copy/logo provided fits) pages as well as during the car show.
