

Do you ever feel overwhelmed, confused, or stressed out about money?

What if you could change that right now? Because you can.
It's easier than you might think!

Money Starts Here! Your Practical Guide to Survive and Thrive in Any Economy will help you finally take control of your money using easy, bite-size steps.

Learn not only **WHAT TO DO**, but **HOW TO DO IT**:

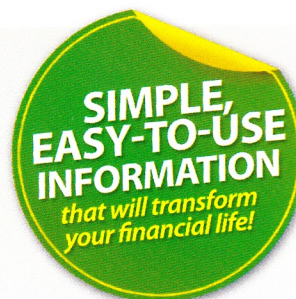

- ✓ How to start getting out of debt today
- ✓ Discover the key questions to ask bankers, lenders, and credit card companies so they don't take advantage of you
- ✓ Know your consumer rights and how to avoid scams, fraud, and identity theft
- ✓ Get awesome money-saving tips on groceries, eating out, shopping, and more
- ✓ How to start putting money in the bank to cover emergencies and increase the amount you save for retirement

What's the bottom line? The information in this book will help you achieve your dreams so you can live the life you want!

Financial expert, author, speaker, and media personality **Denise Winston** shares her practical knowledge based on 25 years in the banking industry—helping hundreds of thousands of clients, seeing how the rich got richer and how the poor got poorer, learning how banks profit from their customers—and from the financial lessons she learned from living on her own since age 16.

The best investment you can make right now is in yourself. ***Money Starts Here! Your Practical Guide to Survive and Thrive in Any Economy*** is your handbook to play the financial game of life—and play to win.
