

Calling all Crafters, Artisans, and Demonstrators!!

Shepherd of the Hills 2025 Fall Craft Fair

SEPTEMBER 12th, 13th, & 14th

This will be our 6th year for what has become one of our favorite annual events.

Booth spaces are assigned on a first come first serve basis and they fill up fast.

Early -Bird discounts for paid registrations received before June 30th.

***Returning Vendors must register by March 1, 2025, to request the same booth as last year.*

This is an OUTDOOR EVENT

For the safety of others, there will be no vehicle traffic inside park gates during event hours.

Participants must commit to all 3 days of the event.

We are not accepting imported, manufactured, wholesale or direct sales items.

All merchandise must be original hand-crafted, up-cycled or repurposed creations made by you.

All Booth spaces are 10' x 10' unless specified.

Indoor/Covered spaces are limited & available on a first come - first served basis.

This is a juried event; participants will be selected to ensure a diverse selection of products.

***Ticket holders to our Outdoor Theater will have free entry to the park, (event space) after 5pm.**

Vendors have the option of staying open until 8pm on Saturday Night to take advantage of this additional customer traffic.

If you plan on taking part in these "after hours", please, indicate this on your Registration.

If you are disabled or require specific accommodations, please let us know upon registering. We will do the best we can, however, this is an outdoor event, in the Ozarks; flat land is rare, and you can expect a fair amount of walking to and from the restrooms, food trucks, and main gates.

We have added tram shuttle service for Vendors ending 15 minutes before the event opens and beginning again 15 minutes after the close of the event. There will not be shuttle service inside the park gates during the event.

Additional Guidelines are attached.

Visit our website for updates.
