

Sundown—Gordon Lightfoot (1974)

[F#] [F#] [F#] [F#]

I can [F#] see her lyin' back in her satin dress
In a [C#] room where you do what you [F#] don't confess

[F#] Sundown, you'd [B] better take care
If I [E] find you been creepin' round [F#] my back stairs

[F#] Sundown, you'd [B] better take care
If I [E] find you been creepin' round [F#] my back stairs [F#]

She's been [F#] lookin' like a queen in a sailor's dream
And she [C#] don't always say what she [F#] really means

[F#] Sometimes I [B] think it's a shame
When I [E] get feelin' better when I'm [F#] feelin' no pain

[F#] Sometimes I [B] think it's a shame
When I [E] get feelin' better when I'm [F#] feelin' no pain

[F#] [F#]

I can [F#] picture ev'ry move that a man could make gettin'
[C#] lost in her lovin' is your [F#] first mistake

[F#] Sundown, you'd [B] better take care
If I [E] find you been creepin' round [F#] my back
stairs

[F#] Sometimes I [B] think it's a sin
When I [E] feel like I'm winnin' when I'm [F#] losin' again

<solo> [F#] [F#] [F#] [F#]

I can [F#] see her lookin' fast in her faced jeans
She's a [C#] hard lovin' woman got me [F#] feelin' mean

[F#] Sometimes I [B] think it's a shame
When I [E] get feelin' better when I'm [F#] feelin' no pain

[F#] Sundown, you'd [B] better take care
If I [E] find you been creepin' round [F#] my back stairs

[F#] Sundown, you [B] better take care
If I [E] find you been creepin' round [F#] my back stairs

[F#] Sometimes I [B] think it's a sin
When I [E] feel like I'm winnin' when I'm [F#] losin' again
