Today is gonna be the day That they're gonna throw it back to you
By now you should've somehow Realized what you gotta do
I don't believe that anybody Feels the way I do about you now

Back-beat the word is on the street That the fire in your heart is out
I'm sure you've heard it all before But you never really had a doubt
I don't believe that anybody feels The way I do about you now
