

Boarding Admission Requirements

- All guests to be **fully vaccinated with C5 vaccination** and vaccination to still be valid at the time of your pet's visit to Khatala Pet Lodge.
- Last vaccination to be at least 14 days before visiting Khatala Pet Lodge.
- Proof of vaccination to be provided before arrival.
- Puppies to be at least 4 months old to ensure full vaccination programme is completed.
- All guests must be **flea free**. If flea treatment is given monthly, please continue with monthly routine, if not, a reputable flea program **must** be given approximately 3 days before arrival at Khatala Pet Lodge.
- Please ensure your pet has been **dewormed** 2 to 3 days before arrival, if not given 3 monthly.
- We cannot accept female dogs that are in season.
- As we pride ourselves on providing a relaxed, stress free and safe environment, we request that all dogs **MUST** be dog friendly.
- We cannot accept dog aggressive or dog reactive fur kids.
- We do not accept doggies that are fence jumpers or have a history of fence jumping.
- To ensure Khatala Pet Lodge is kept a **flea free** environment, all guests will be administered a Capstar tablet on admission.
