age to the interior of the building but that, miraculously, no one was hurt.

Incidentally, the chief has been convention-going this month. He was away a week recently attending a meeting of the State Firemens and Fire Marshalls Assn. in McAllen.

And over at the police station Dispatcher Jolene Meineke and Court Clerk Bonnie Russell thought they were going to have to call out the fire boys to put out the blaze atop Patrolman Bill Byrd's birthday cake. They surprised Bill with a miniature cake which would barely hold the 23 candles called for. When they started the lighting proceedings, all the candles went "whoosh" at once and a celebration almost became a conflagration.

The Evan Pancakes and daughter, Didi, 5112 Valerie, have been vacationing during the month of June at Lucerne, Switzerland.

Congratulations to a now-celebrated member of our community, Pat Flanagan. I see by the dailies that Pat, whose revolutionary hearing device has received notice throughout the country, has been admitted to membership in the Southwest Sertoma Club of Houston. At 17, he's the youngest member of Sertoma International, a distinguished group dedicated to service to mankind.
