Pricing reflects a renovation of the identified unmodified standard floor plan for the specified builder model as originally constructed and does not take into account any modifications to the standard floor plan, or additions or other improvements made to the standard floor plan since original construction. Pricing also does not include any upgrades selected by the customer as part of the renovation process. Images depicted may include computer-generated renderings created to illustrate an exemplary renovation using specific finishes, fixtures and upgrades; actual results will vary based on the home's existing condition and the customer's selections. This advertisement is not an offer and is not binding; all renovation work is subject to a separate written agreement with the customer. All prices and products availability are subject to change without notice. Products depicted in this presentation are subject to change due to changing market conditions, supplier shifts, or typographical errors. We reserve the right to modify or discontinue any product at any time. ROC #315054
