Reaching Our Children in Kenya

November 2018

Dear Partner in Ministry,

Our God is an Awesome God! and He continues to prove himself faithful as we continue to follow where He leads. As we release more students into His able hands for reshaping, molding and refining we are challenged with the question; have we done our best? I believe we have as our students are placing in some of the top schools. We give God all the glory for the great things He has done.

The end of the third term has come and we are awaiting the results of final exams and calling letters. In the mean time our population has diminished considerably as our students who have family members left immediately after dismissal to join their family until school starts in January. This will become their routine from now on as they are reunited with family while finishing Secondary School. The family home then becomes their launching pad into the adult world as they are no longer children.

We also just promoted 32 preschool students, 12 of which will start First Grade in January equipped with reading, writing, math and english skills ahead of their age mates. The intake process for the next year has begun and will continue in early December. God has definitely put His fingerprints on our Preschool program as it is impacting the entire community.

The last newsletter gave a detailed report for the remainder of the year. Since those needs have been met I will summarize the yearly total for all students for the entire year: 1st year students: Michael, Shem, Moses, Janet (deaf) \$840.00 ea., 2nd year students: Winnie, Sandra, Baraka (deaf) \$580.00 ea., 3rd year students: Agnes and Nathaniel \$580.00 ea., 4th year Students: Molly (deaf), Remjus, \$580.00 ea. Fees may be paid per term i.e. January, April & August.

AS God continues to lead, guide and direct our steps, we are grateful for your continued prayer and financial support. Will you please consider the above needs when planning your year-end giving?

???????????????????? Please ask

Blessings in abundance for a Blessed Thanksgiving,

Elaine
