Reaching Our Children in Kenya

April - May 2018

Dear Partner in Ministry,

There is a time for everything, and a season for every activity under heaven. (Eccl 3:1) The ebb and flow of life goes on and we wonder where the time has gone. The children in our care are no longer the cute little cherubs you are sponsoring but are now young warriors and princesses in Secondary School. In addition to the seven students already in High School, we have four candidates who will sit for the National Exams in November and will start their High School journey in January 2019.

Consider adopting a student (ask me how)

Our students are transitioning from the small arena of our family home to a larger community based Primary School and then to the larger arena of Secondary School where they will board for the next four years. The management of students from afar becomes cumbersome once they are in Boarding School and only come home once each term. Students are provided with a list of mandatory supplies necessary during their four year stay. This includes mattresses, blankets, sheets, uniforms, utensils, storage container and equipment necessary to set up for Dormitory housekeeping. In addition, is a list of expendable items which are replaced each term as needed. All personal hygiene needs as well as laundry/cleaning supplies, exercise books, copy paper, pens, pencils, geometric sets, calculators, etc. are the responsibility of the student.

The fee structure to cover purchases necessary as well as replacement items is managed via Bank check, PayPal or CC and is payable at the beginning of each term. (Term 1 Jan-April, Term 2-May-Aug, Term 3 Sept-Dec.) All schools require the same equipment/supplies and use the same methods for enrollment. We do all the purchasing of supplies/equipment for each student. There is a variation in boarding fees based on a given schools rank, therefore we average the school fees which eases the burden for those with the highest boarding fees.

Current fee schedule per student, per year:

Admission Supplies: mattress, storage box, blankets, bed sheets, towels. (Once in four years)	\$260.00
School Fees: (per year)	\$460.00
Consumable supplies: laundry soap, bathing soap, exercise books, pens, toilet paper, sanitary towels, toothpaste, copy paper, body lotion, pencils, (per term 40.00)	\$120.00
First Year Total:	\$840.00
Year 2, 3, 4:	\$580.00

If you have any questions regarding the above, please don't hesitate to ask. Your queries are welcome.
