A Step of Class

September –October 2024

We hope you are as excited about the new season as we are. “Welcome” to all of our new students and “Welcome Back” to all of our returning ones. This bi-monthly newsletter will keep you updated with studio information, as well as helpful reminders about studio policies. We are gearing up for busy months ahead, so please make sure we have your current email address. This is the best way for our staff to get you the information you’ll need for your dancer. As always, never hesitate to call or email the studio with any questions or concerns.

Please remember, each year, recital costume letters will be going out between the last week in October and first week of November. Every individual class will perform a dance AND have an individual costume. Our instructors do their best to pick a 2 in 1 costume for dancers in multiple classes to keep the cost as low as possible. However, this is not always an option for all age groups. Costume letters with all pertinent information will be emailed to every family, so please verify we have your correct email information. They will also be placed in the “view documents” of your Studio Director account. The letters will include pictures of the costume, price, type of tights, type of shoes, and any additional accessories for each class. Per the dates posted in the Student Handbook, all costume money is due by December 2, 2024. Deposits for costumes may be made on your account, at anytime before this date, to reduce the amount due in December. It takes up to 4 months to get some costumes in during the spring months, so it is imperative we have payments by the above date. Thank you for all of your efforts to help make this a spectacular dance year!

Important Reminders

- ◆ Dancers are to be dropped off no more than 15 minutes before class starts. They also MUST be picked up no later than 15 minutes after class ends. We can not be responsible for them after the next class starts. There will be a charge for every 15 minutes there after.
- ◆ Please remind your children they are not to be out front of the studio without adult supervision. It is not safe for them to wait for their parent there.
- ◆ Please remind your children that snacks and drinks are to remain in the snack room. This helps us keep the waiting area, locker room and dance rooms clean and tidy.
- ◆ Also remind them to clean up after themselves, wherever they are in the studio. Please be respectful of our facility.

Thursday: Costume Day—Wear your Halloween costume to dance!

Friday: Freaky Friday—Come dressed like your dance teachers!

Saturday: Character Day— Dress like your favorite character and we'll guess who you are!

Lockers Available!

Keep your belongings safe and secure. We offer lockers available for rent. Located in our dressing room, these lockers are perfect to keep dance shoes and dance bags safe!

NEED NEW SHOES OR LEOTARDS?

We are here to help. Dance shoes are not like street shoes where you need a thumbs length of room. Dance shoes must fit properly in order to get the best point or the best sound out of tap shoes. Let us help get your child the shoes they need for the best dance experience possible.

Parents,

Thank you for allowing us to share our love of dance
with your children.
