

BRIDGES FEDERAL REINTEGRATION CENTERS

2022 PREA Annual Report

Bridges International, Inc 2022 PREA Annual Report (In accordance with 28 CFR 115.288)

The Bridges of Jacksonville Federal Reintegration Center (BJFRC) began operations on July 19th, 2021, and for this reporting period, the BJFRC has had zero allegations of sexual abuse related incidents. BJFRC did receive one allegation from a resident. While not all investigations fall within the PREA standard definition of sexual abuse or sexual harassment, all complaints are taken seriously and investigated thoroughly. BJFRC staff continue to work diligently to ensure a sexual safe environment for all of its residents.

Bridges International has two designated PREA Compliance Coordinators located in our Orlando corporate office, and both are trained investigators. The BJFRC has two PREA Compliance Managers located at BJFRC who ensure timely and quality responses to allegations of sexual harassment or abuse.

Bridges International continues to employ a zero-tolerance policy for forms of sexual harassment and sexual abuse and strives to maintain an environment that allows for immediate reporting of allegations free of retaliation of any kind.

The BJFRC has entered into a contract to participate in its initial PREA audit beginning on October 3, 2022. The results of this Department of Justice PREA Compliance audit will be posted within the Bridges International 2023 PREA Annual Report.
