Suncoast Seminar For Optometry

14 hours optometric continuing education

10 hrs TQ/COPE approved or pending
2 hrs Optometric Jurisprudence
2 hrs Medical Errors

The Pinellas Optometric Association welcomes you to the 30th annual Suncoast Seminar.

Courses include ten (10) transcript quality hours, two (2) hours of optometric jurisprudence, and two (2) hours on medical errors. C.O.P.E. numbers will be announced at the seminar.

The optometric jurisprudence and medical errors courses satisfy the Florida Board of Optometry biennial licensure requirements.

The Florida State Board of Optometry requires 6 hours of transcript quality (T.Q.) education each biennium for license renewal. T.Q. credit will be sent to the attendee upon passing a written examination of 70 or better. Attendance verification will be provided for all courses.
