Overview Pathways Speechcraft Youth Programs

The Speechcraft digital experience was created for experienced members to help non-members become the best communicators they can be! As a coordinator, you will be given materials to help you recruit five people for a four-, six-, or eight-session Speechcraft event that will boost your participants' confidence and improve their communication, public speaking, and leadership skills—all within a safe Toastmasters environment. Plus, Toastmasters members who become coordinators can earn DTM credit. Order your Digital Bundle today!
