Ann Sardella & The Sardella Family
In Memory of Joey Sardella

The Sardella Family lost their beloved son Joey to an accidental overdose on August 31, 2019. To honor Joey's life, the Sardella family started an annual cemetery walk in 2020. The walk has

grown each year and proceeds have helped many in early recovery. In 2023, the *Sardella Family* partnered with the *Shevlin Family Foundation* to host the walk, gain better exposure and make a bigger impact in the delco community. Last year, walk proceeds helped provide housing, food & hygiene items, clothing, transport passes and recovery support to Delco residents who completed inpatient treatment and demonstrated a willingness to work a solid recovery program.
