How to Receive Christ as Your Lord and Savior

- Admit your need (I am a sinner).
- Turn from your sins (repent).
- Believe that Jesus Christ died for you on the cross, atoning for your sins, and rose from the dead.
- Through prayer, which is simply talking with God, ask the Lord Jesus Christ to forgive you of your sins and to become your Lord and Savior. Turn your life and soul over to Him.

Mother's Day Tribute

We learn a lot from our mothers. Yes, I know in today's world of disfunction, drugs, alcohol, immorality, neglect and abuse there are bad mothers. But it hasn't always been that

way....and there are more good mothers than bad ones.

My focus today is on mothers.

Today is a day to thank God for our mothers, even if they failed to live up to their calling, God used them to give us life. They carried us in their bodies for 9 months. In today's world of birth control abortion every baby carried to term is something to thank God for.

The mothers in our family had their own unique personalities, skills and character traits. In both Willetta's and my family we were blessed with Christian mothers, grandmothers and even great grandmothers.

It's not hard to see that they left their mark on the generations that followed them.

They were church going women, faithfully attending church weekly even when some of their husbands weren't committed. They saw being a homemaker as a high calling, investing in the lives of their families was their most important goal in life.

For the last 50-75 years motherhood has been depreciated by our culture. Rare is the young woman who would ever admit their life goal is to raise a family. A career has taken the place of the home and our families have suffered because of it.

My hat is off to the single mom who by necessity must be both the provider and nurturer to her children. Dr James Dobson rightly says single moms have the hardest job in the world.

Let's be sure and show our appreciation for mother's today and every day by words of affirmation, our prayers, acts of kindness and honoring the role of women.

Blessings, Pastor Lynn
