2020-2021 Evaluations

At East Coast Evolution we encourage our athletes to strive for excellence both on and off the mat. We provide high quality cheer and tumbling training with a focus on safety and progression. Our staff members are USASF certified and have extensive safety and coaching training. In addition to athletic training, East Coast provides a fun and welcoming environment for personal development in sportsmanship, friendship, and community service.

We would like to welcome new athletes to the East Coast family, and we thank returning athletes and their families for their loyalty to the Navy & Coral!

Evaluation Schedule

All athletes MUST attend age appropriate sessions

THIS SEASON ALL FULL YEAR EVALUATIONS WERE DONE VIRTUALLY DUE TO COVID-19

Evaluation Expectations

- The following are due to participate in evaluations: online registration, registration payment, medical waiver, payment information
- Wear navy short and white tank top or ECE practice wear. Hair should be up and away from face.
- Wear cheer sneakers
- No jewelry

Skills Evaluated & Team Placement

We are dedicated to creating successful and strong teams and will place athletes where they will strengthen the team as a whole and where they are able to confidently showcase their individual abilities. An athlete may be placed for a combination of their skills based on team needs. Please remember that tumbling alone does not dictate leveling. For example, an athlete who is an exceptional base may be placed on a team with either lower or higher tumbling skills than she possesses if her basing skills fit the need of a particular stunt group and help to strengthen the team as a whole. Another example may be a flyer who may be placed on a team with higher or lower tumbling skills than she possesses if her flying skills will be better showcased or more needed by that team. At evaluations athletes may be asked to demonstrate their skills in stunting, tumbling, jumps, and motions/dance.

IMPORTANT DATES:

- First payment for full year teams is due JUNE 15 to secure your spot with East Coast Evolution
- Mandatory Practices start July 6, 2020!
- Mandatory Choreography will take place August 30 and October 1-4, 2020

HOW TO REPRESENT EAST COAST EVOLUTION

As a program, we pride ourselves on not only our talent, but on the class and dignity of its members. The Athlete Code of Conduct was established as a set of principles and expectations for all East Coast Evolution Allstars to follow. All members of our program are bound to the policies described below:

Athlete Behavior

- Show respect for the East Coast/Fusion coaches, fellow teammates, other team members, parents, judges, officials, and spectators. Disrespectful behavior WILL result in dismissal.
- Demonstrate good sportsmanship before, during and after competitions. Be humble when successful, be gracious in defeat.
- Treat all athletes and coaches with respect from East Coast and opposing teams.
- Maintain a minimum 2.0 GPA. Team reps may collect report cards each marking period
- Abstain from using drugs, tobacco, alcohol & abusive language. This behavior could result in immediate dismissal from the East Coast Evolution Allstars program.

Practice

- Only registered athletes are permitted in the gym
- Parents, siblings, friends, family members are not allowed in the gym area
- All spectators MUST stay in designated area and keep noise level to a minimum
- Any person that disrupts a practice will be asked to leave the gym immediately.
- During practice, all members must respect the decisions of the coaches.
- Cell phones and pagers must be put on silent mode or left outside of the practice area.
- East Coast/Fusion is not responsible for any personal items lost or stolen
- All athletes and parents must register on the East Coast website and check Facebook and emails daily for all updates. There is no excuse for being uninformed or irresponsible when the information has been provided
- Practices may be changed or added at any time during the season as needed. ALL practices are mandatory.
- Respect the privilege of the use of Fusion Gymnastics Center, LLC gym and remember you are always representing East Coast/Fusion.
- No gum or sodas, iced coffees, lattes, etc. are permitted in the gym area. ONLY water and Gatorade are allowed. No food allowed in the gym. There will be a designated area for athletes to eat. All trash must be disposed in the appropriate trash receptacles.
- Practice attire will be worn to ALL designated practices. Please do not wear loose-fitting t-shirts or shorts. This is a safety hazard to our instructors and yourself during spotting and stunting.
- Keep nails shorter than fingertips. You will be asked to cut them if this is not adhered to.
- Immediately repurchase all lost or noticeably damaged articles and wear a matching substitute until the item is replaced.

Health and Injuries

All athletes must:

1. Provide East Coast with current health insurance and emergency contact information.

7. Participate in any drug or health related testing, counseling, or rehabilitation if asked to do so.

Attendance Policy

How to Show Your Commitment

Absences will be reviewed on an individual basis. Anything beyond 3 unexcused is highly frowned upon and may be grounds for dismissal from the program. A master absence log will be kept throughout the year for record of all absences and the nature of the absence. All summer absences due to family vacations must be made known immediately. Vacation log MUST be completed.

Excused absences include BUT are not limited to:

- Death in family
- School related function that reflects a grade
- A contagious illness with a doctor's note
- Immediate family wedding – please notify your coach as soon as you know the date.

Unexcused absences include BUT are not limited to:

- Jobs
- Noncontagious sickness/cramps
- Social events (dances, birthday parties, concerts, banquets, family reunions, friends, or not immediate family member weddings, etc.)
- School projects, homework, or tests
- Traffic or long-distance driving

Please submit all conflicts and acceptable absences through the google form. Any specific attendance issues should be discussed directly with your athletes' coach.

- If you are running late to practice, you MUST call and inform your coach. Text is also acceptable. Telling a teammate is NOT acceptable

Allstar cheerleading is a TEAM sport! East Coast Evolution schedule is your priority! While we encourage participation in school cheer or other activities, we can only accommodate so much; therefore, compromise will be required for it to work.

Competition

- Each year we go through the loss and addition of team members. Dismissal/addition of a team member is solely the owner/coach's decision.
- Changes in team levels or individual team placements can and will happen at any time during the season. Crossover needs and additions will be at the decision of the coaching staff.
- You are required to attend ALL competitions. Missing a competition will result in automatic dismissal. Absence from practice the week of a competition may result in replacement at the upcoming competition.
- **EAST COAST athletes should NOT be training (tumbling/stunting instruction) outside the gym in season starting with practices in July. This ensures that our athletes will be training consistent with our team goals and helping to maintain healthy, uninjured athletes.**
- Travel events are athletes, family, and staff ONLY. Boyfriends should not be allowed to accompany athletes to overnight events.

Social Media

- No athlete or parent may post inappropriate messages on a social media platform (Facebook, Twitter, Fierce Boards, Instagram, Snap Chat, etc.) about another East Coast member, another program or individual thereof.
- No East Coast team videos are allowed to be posted on YouTube, Facebook, or any other social media or websites until the end of the season. The approval to do so will come from either owner or your direct coach

ECE/FUSION Logo and Name

East Coast/Fusion Gymnastics logo and names/slogan/team names are the sole property of Fusion Gymnastics Center, LLC. Logos and names/slogans are not permitted to be reproduced on apparel or any other item without approval from Shelley Myers or Harry Urban. East Coast/Fusion apparel and gear will be offered throughout the season as well as a spirit store.

Bullying will not be tolerated from athletes or parents whether in person, on social media (direct or indirect), or via electronic communication. Bullying is cause for dismissal from ECE.

Parent Behavior

How to represent ECE

As an East Coast parent, you are bound to the same level of expectations as your athlete. You represent our program and your child, and your behavior should not be a distraction to either.

Parents are expected to adhere to the following guidelines:

- Encourage good sportsmanship by demonstrating positive support for all athletes, coaches, fans, and judges during ALL practices and competitions. Please encourage your child to do the same.
- Place the wellbeing of your child and their teams before your personal desire. Please keep in mind competitive cheer is a team sport and East Coast will ALWAYS MAKE DECISIONS WHATS BEST FOR ALL TEAMS.
- Anyone threatening to quit or pull their child from a team will be dismissed from the program IMMEDIATELY.
- All parents must treat directors/coaches/and parent volunteers with respect. Should a parent promote unsportsmanlike behavior, he or she will be asked to leave the program immediately.
- ECE/Fusion will not tolerate pettiness, gossiping, or cliques that attempt to slander the ECE/Fusion program or name. Parents displaying improper behavior will be dismissed from the program immediately, with NO REFUNDS and will not be allowed to return the following year.

If you have any questions or concerns that need immediate attention please contact your team coach, Shelley Myers or Brigitte Chavez.

How to Represent Our Program

When traveling for a competition or event (camps, clinics), you will represent East Coast Evolution with the upmost respect and class. All athletes on our competitive teams must adhere to the following guidelines:

- All athletes must stay with a parent, guardian, or designated chaperone.

- All efforts should be made to stay together as a team if it is financially feasible.
- Parents must provide a copy of the accommodation reservations for their athlete.
- All athletes must follow curfew set by their coaches
- Competing and bonding with your teammates is our priority at competitions. No boyfriends allowed prior to performances. While we encourage athletes to enjoy their time away at travel competitions, we are there for a reason. It should not be considered a personal vacation. We ask athletes use caution in strenuous activities such as swimming. Athletes need to be well rested to perform their absolute best!
- Athletes use of drugs, tobacco, alcohol, and offensive language is prohibited. This behavior could result in immediate dismissal from East Coast.
- All athletes and parents should always demonstrate good sportsmanship to our coaches, parents, judges, officials, spectators, and any opposing teams/parents.
- All parents are asked to sit together in support of ALL East Coast teams. Parents and athletes are expected to cheer on all ECE teams in the VIP viewing area during team performances. Please focus on watching and cheering on the athletes. PUT YOUR PHONES DOWN!!! We will have ECE reps taking photos and videos.
- All athletes are expected to arrive at away competitions in time for assigned team meetings. Times and locations of team meetings will be communicated the week of the event.
- All travel teams may be required to travel out of state. All athletes are responsible for travel accommodations, airfare, and other travel expenses are in addition to the monthly payment schedule
- Unless otherwise notified, all teams will have practice the night before a competition. Teams may also have extra practices/run throughs held Friday night. Be sure to consider this before making travel arrangements.
- All athletes who travel with a team MUST have a chaperone with them.

Reservations should be made ASAP once the hotel information is made available to ensure enough rooms are in the block for all our families. There are booking deadlines to every block and reservations are first come, first served. As a courtesy, ECE will provide team hotel blocks whenever possible. Families may choose their own lodgings based on their personal needs and choices unless the competition is a “Stay & Play” event. If the competition is a “Stay & Play” event, all families are required to stay book through the team booking and this will be communicated to families prior to the event.

Level Requirements

How We Evaluate Our Athletes

East Coast Evolution Allstars works extremely hard to have a strong, extremely competitive program in the area. We will have level guidelines in place for all to understand what skills they should be working towards. Our teams are built based on score sheet requirements for each USASF level and specific team needs. Please read through this section to gain some insight on the skill requirements for levels 1-5. Athletes are not on a team that will benefit the athlete AND team best. Team announcements will take place in June with “shift weeks” in July and September if needed.

Choreography- Mandatory

When we Create our Routines

Choreography will take place December. There may be additional choreography dates if needed. Each athlete MUST be present to maximize the benefit of each choreography session. All routines/choreography including dances, stunts and transitions should be highly protected. NO videos of routines/choreography should ever be uploaded to any online site such as YouTube, Instagram, or Facebook. Violation of this rule or the theft of music is grounds for immediate dismissal.

Uniforms & Practice Wear

What We Wear

A uniform deposit of approximately \$200 will be due November 30, 2020. We will provide spirit wear options and uniform ordering information once a cheerleader is officially placed on a competitive team.

A parent must approve the size of the garments ordered by an athlete. Custom items such as uniforms, practice wear, and jerseys may not be returned or exchanged. Families are responsible for paying their order.

Hair and makeup requirements will vary by team and will be communicated to team members at the beginning of the competition season.

Competitions

When We Perform

The competition schedule will be available to all athletes and families as soon as possible. Many companies are still announcing competition dates until mid-fall. In order to provide the best opportunities for each team, competitions may vary for teams. We will do our best to attend some competitions program-wide. Families must wait for coaches to announce expected arrival times and last practices before scheduling travel including flights. Practices and meetings at ECE gym and travel destinations are mandatory for all team members.

In case of some, but not all teams earning bids, crossover situations will be handled at the discretion of the coaches and directors.

All athletes are expected to stay for awards at competitions and to remain in full uniform. Depending on the competition and the schedule, East Coast will require that all athletes arrive and stay to support ALL teams if the schedule permits. If your team wins an award and an athlete did not stay for the award session, that athlete will forfeit their prize.

Financial Policy and Information

Payment Process

In addition to time commitment and physical training, there is a financial commitment that comes with being a part of East Coast Evolution Allstars competitive team. With this investment in mind, we have worked to spread out payments throughout the season as much as possible.

You have the option of paying cash prior to the due date (signed off by staff), or through our parent portal by debit or credit card. ECE/Fusion will process each debit and credit card payment. All East Coast athletes are required to have debt or credit card on file in Jackrabbit and must sign the "Permission to Charge" form (see Form C). Any payment attempts resulting in an NSF (non-sufficient funds), declined credit card, expired credit card, returned check, electronic debits, etc. will incur a \$25.00 service charge. It is your responsibility to update your information with us if your information changes (E.g. bank account number, card number, exp. date, etc.).

Tuition Payment Process:

- 1) If you have a question regarding your invoice or your account, those questions need to be brought to our attention PRIOR to the tuition due date. Your account will need to be processed on the due date.
- 2) Cash will be accepted by the front desk Monday-Thursday 5:30-7:30pm or Sunday 12pm-2pm. Therefore, it is especially important to pay attention to the day of the week that each tuition payment is due if you wish to pay cash. Cash payments must be taken by staff. Staff will sign off on the cash and place the cash in the drop box.
- 3) All families need to log into their parent portal account and update their payment information. You must indicate your primary method in Jackrabbit (bank account or credit card) as we will be using your primary method each month for payment if cash is NOT received by the 15th of the month.
- 4) The only forms of payment we will accept are cash (signed off by staff), debit or credit card (processing fee).
- 5) ECE will process all fees on the 16th of every month. A late fee is applied to all accounts with a balance and coaches are given a sit list. Athletes are asked to stay home until the account is paid so the child is not put in an awkward position.
- 6) Our computer program charges us for every update on your payment method in the system. Therefore, if you change your payment more than 3 times, you will be charged a \$5.00 service fee.

Financial Policies

- An athlete's account must be current and in good standing to participate in practices, classes, team tumbling, competitions, and special events. In this case and for the best interest of the team, an athlete may be replaced. Upon full payment, the athlete will be added back to the team at the discretion of the coaches and directors. Uniforms, practice wear, jerseys, bows, etc. may also be withheld if an account is not in good standing.
- Payments are due by the due date. Accounts with a balance after the due date will incur a late fee of \$25 (minimum) or 10% of the total balance if more than \$250. Recurring late fees will be assessed if balance owed is not paid every 30-day period.
- Personal checks returned for insufficient funds must be reimbursed to East Coast immediately along with a \$25 return check fee. Two or more returned checks to an account will result in a cash only, money order, or credit card (with convenience fee) payment required.
- There will be a \$25 reprocessing fee for all declined credit/bank cards
- Parents may always view accounts on the Jackrabbit parent portal. It is the responsibility of the family to be aware of the account status. Phone calls and emails concerning past due accounts are a courtesy. Payments are communicated regularly, and it is your responsibility to make your payments on time and in full. If bank information or credit card must be changed, contact eastcoastevolutionallstars@gmail.com
- East Coast reserves the right to turn over all delinquent accounts to a collections agency and the parent/ athlete will be responsible for all additional costs incurred.

Also, if your account is delinquent, East Coast Evolution reserves the right to:

- Withhold services, i.e. team tumbling, classes, etc.
- Withhold uniforms, practice wear, t-shirts, jerseys
- Withhold individual account monies

Any funds paid towards other items could be forfeited and applied to the athlete's past due account. Phone calls and emails and/or past due letters are a courtesy. Payments are communicated regularly, and it is your responsibility to make your payments on time and in full. Failure to meet the deadlines for payments, and lack of reasonable and fair communication regarding payment will result in your child's loss of services (sitting out of practice) and/or dismissal from the program. Please note, coaches reserve the right to replace the athlete if this happens.

ALL PAYMENT ARE NON-REFUNDABLE

All monies, including balance in an individual account are NON-REFUNDABLE and NON-TRANSFERABLE. If an athlete (family) decides to leave East Coast or is dismissed for any reason, a no refund of money policy is in place. All payments received and all funds in individual accounts of athletes who are dismissed from ECE or who choose to leave the program will immediately be released to the general funds ECE account. This applies to all individual accounts, whether profits earned from fundraisers or deposits of advanced payments. For athletes who leave ECE for reasons including, but not limited to medical, family, or academic reasons- funds will be held for up to a year if the athlete returns to ECE. These situations are subject to owner approval. This applies to all current monies in an individual account regardless of dates the money was deposited.

East Coast is not responsible for reimbursing travel expenses to team members/or individuals in the unforeseen canceling of events or athletes' loss of skills/injury

Please note all competitions are subject to change, and all monies are NON-REFUNDABLE

If a competition is canceled by ECE *only*, a decision will be made by the organization to replace with a comparable event if able to and adjust fees accordingly.

If an injured athlete's spot is being held by a fill in and the athlete plans to return to the team, that athlete is responsible for all fees. If the injury is severe and the athlete cannot return to compete this season but wishes to attend practices and events with the team, that athlete will pay pro-rated fees. Awards earned by teams will be distributed first to athletes performing for that team. Injured athletes will receive awards if possible, regardless if the injured athlete paid. This is dependent on the competition.

Fundraising

How We Support Our Program

All ECE members will fundraise for the program. This is mandatory.

Fundraisers vary throughout the year. ECE will be very conscious of giving individuals great opportunity to fundraise for their individual accounts as well. More information will be communicated during the summer and throughout the season.

East Coast families will be required to participate in **2 mandatory team** fundraisers (full year) and **1 mandatory team** fundraiser (half year). These fundraisers are here to help offset the costs of our athletes as well as support team building, program celebrations, extra choreography needs, clinics, music changes, routine reviews, coaches travel, and banquet at the end of the year, etc. If a fundraiser is scheduled over the summer months and the cheerleader is away on vacation, an opt out fee will be implemented.

Monies in cheerleaders' individual accounts may only be used for East Coast Evolution Allstars purposes and are non-transferable. If an athlete decided to leave ECE or is dismissed for any reason, our NO REFUND policy is in place. All funds in individual accounts of athletes who are dismissed from ECE or who choose to leave will immediately be released to the general ECE account. This applies to all individual accounts, whether profits were earned from fundraisers or deposits of advanced payments. For athletes who leave ECE for reasons including, but not limited to medical, family, or academic reasons-funds will be held for up to one year if the athlete returns to ECE. If athlete does not return with in one-year funds are immediately disbursed to general account of ECE. These situations are subject to owner approval.

Statewide/National Crisis (pandemics, acts of mother nature)

In the event a national crisis or act of mother nature that would cause disruption to train and/ or competitions we would continue all practices on a "zoom mode" and done online. These would be mandatory practices. Tuition payments will be discounted but will still be due as items are paid ahead of time. Your athlete not participating in the zooms does not exclude from payments being made.
