

Calling all  
Sewers!

**Want to help the community  
and know how to sew?**

We could use your help!     

**We are collecting reusable/washable period pads  
to have available to the community.**

**Drop off locations:**

Labeled Tote at 655 Plum St Indiana, PA

Obsessions Coffee Roastery, 109 S Main St, Homer City, PA

As we gather up a supply, these will be distributed to common and safe  
community locations for easy access. These items will be free!     

Welcome to use own pattern.

**We did find this resource if in need of one though!**
