Youth Services Programs

While regular summer programming for the Manchester branch will begin in July, we will have a couple of passive programs kicking off on Father's Day, June 19:

StoryWalk @ qa'qad Stormwater Park (Every day, June 19-July 8) Stroll through the pages of "How to Find a Bird" by Jennifer Ward. Learn more about a local bird at each station. This program is offered in partnership with the Kitsap Audubon Society and Stormwater Division of Kitsap County Public Works, with the support of the Friends of Manchester Library. Drop by the branch during open hours for a related activity bag.

Library Scavenger Hunt (during open hours, June 20-June 30). Discover new and familiar areas of the library with your family, turn in the sheet for a special prize drawing sponsored by the Friends of the Manchester Library and the Long Lake Garden Club.
