

## 30 Seconds to Masterpiece Season 2 – Round 3 Alternate Rules

The rules defined herein are not intended to bias the challenge towards a particular set of talents but rather give a standard platform by which the works can be compared and critiqued.

1. Theme - The theme for this Round of 30 Seconds to Masterpiece is ***Humor***. Pieces will be judged and rated by the critics using the theme as a metric.
2. Media - There are no media requirements for this Round.
3. Participants are allowed to use Artificial Intelligence (AI) to help produce the final video product. There is no requirement for participants to use AI.
4. The piece of work that will be submitted and judged, is a video that can be no longer than 30 seconds in length.
5. Any and all video edits and post production modifications are allowed.
  - I. Examples of Video Edits that are allowed:
    - i. You are **allowed** to cut your originally recorded video down into one contiguous, uninterrupted, 30 second clip.
    - ii. You are **allowed** to replace the audio that was recorded when you made the original video recording with a different audio track. This allows you to pair the visual element of the piece with an audio track that may better enable you to achieve the mood or aesthetic you're going for.
