December 2021

A Special Invitation from Our President:

On behalf of Peer Gynt Lodge of the Sons of Norway, we are thrilled to announce our first in person dinner in over a year and a half. I, for one, truly missed not being able to gather last year at Christmas time as we have for 108 previously.

We will not only be celebrating Christmas but this occasion will double as our 110 year anniversary dinner. It seems like yesterday (10 years to be exact) that we celebrated our centennial anniversary. The last ten years have brought many changes to the lodge but as we gather together to celebrate our Scandinavian her-

itage, we realize that the important things never change.

This dinner will be catered by the wonderful Emily Glarner-Chan. She catered one of our last dinners before Covid shut us down. She did such a marvelous job; we have asked her to return. Her menu is a nod to both traditional and contemporary Scandinavian cooking.

We look forward to seeing you there. But don't forget that it is very important you RSVP by November 22.

Michael Amundsen, Lodge President

A Few Party Details: All guests will have their temperature taken at the door. Dinner seating will follow social distancing regulations. Masks must be worn at all times unless actively eating/drinking at your table.

Members are invited to bring Christmas cookies to share during dessert. See flyer for RSVP information. We look forward to celebrating with many of our friends!
