Hello,

We are so glad you are interested in **Natalie's Elf Shelf Holiday Store** for 2024! We have been serving schools since 1989!

We offer the best gift items, free supplies and bonuses in the business! We take **PRIDE** in the **QUALITY** of our gift items. The gift items range from \$0.50-\$11.00. We let you set your own percentage (0-30%) and the percentage your school chooses will be pre-programmed into your online cash register and ready to go before your store starts. **Please view our Gift Catalog on our website to see all 115 items that will be in the store*

We also have a program called "Elf Wallet". Where parents can pre-pay online and do not have to send their child with cash to school! The volunteers will be able to look up the child's name, amount etc through the online register app.

* We have completely re-done our Elf Wallet program for 2024! It is now integrated into our online register and shows detailed reports on each student, total amount uploaded and if they have redeemed all of their funds or not. Super easy for the volunteers to look up and keep track of Gift Card sales!

Once, you have read through the brochure and looked over the gift items, free supplies and bonuses we offer. Please call (580-399-4177) or email us (natalie@elfshelfholidaystore.com) with any other questions you may have!

Please remember we have booked out by September the past 2 years! We look forward to hearing from you!

Dear Parent Group:

Natalie's Elf Shelf Holiday Store is ran by volunteer parents/grandparents who want to offer their children the opportunity to shop for friends and family in a safe & non commercial environment. An outline how the program works is as follows:

1. Your group obtains permission to use space in your school for 3-5 days to run the shop during school hours.

** We do not allow 1 -2 day events unless we have approved it.
Please call us to discuss 1-2 day events.*

2.

We send you a FREE Promo Kit in October that Contains:

- Chairperson Manual
- Parent Letters
- Gift Guide Envelopes
- Posters/Banner
- Social Media Images Via E-Mail for Advertising

** We send enough Parent Letters and Gift Envelopes for every student.*

3.

1 month before your store starts. Please send home the "Watch For" Announcement & Recruiting Fliers we provided to announce your upcoming store and help you recruit volunteers. If your school PTO/PTA has a Facebook page. We provide social media images for you to advertise as well.

4.

The Store will deliver 1-2 weeks before your start date. We will make sure and send you Fed Ex tracking to your email. So, you are not surprised by all of the boxes. Prices range from \$0.50- \$11.00 with 75% of gift items under \$5.00-\$6.00.

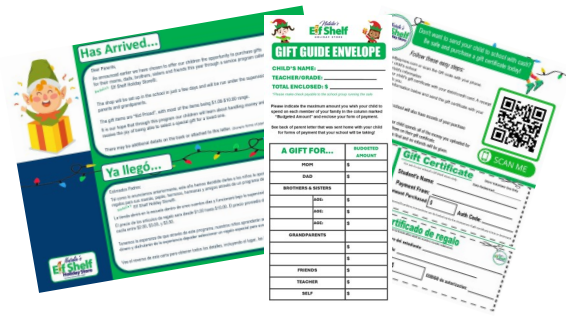

There are 120 different items in our store and a huge variety of Mom, Dad, Grandparents, Sister, Brother, Teacher, Friends, and even pets.

Gift Items can be viewed on our website at:
www.natalieselfshelfholidaystore.com

5. A few days before your store begins you will send home the “Has Arrived” Parent letter and your gift guide envelope. The parents will set down with their child and help them budget how much to spend on every family member.

If your group has decided to use our Elf Wallet program. We will have the Elf Wallet instructions printed on the back of the “Has Arrived” parent letter.

If your school opted out of our Elf Wallet program. We have left the back of the parent letter blank. If you want to add dates, times , payment you are accepting etc.

**We have completely re-done our Elf Wallet program for 2024! It is now within our online register and shows detailed reports on each student and if they have re-deemed all of their funds uploaded for them or not. The Elf Wallet form will be sent home with the “has arrived” parent letter/gift envelope. Parents will receive payment confirmation via email.*

6. 1-2 days before shopping begins, volunteers will setup the store. All Items are price coded and make setup and checking out super easy. It takes 5-6 tables to display the items. All back stock needs to go underneath the tables.

7. On shopping day, the children bring their “ Gift Guide Envelopes” to school and take turns shopping for gifts of their choice. As a gift is selected it is matched up with one of the self sealing metallic gift bags that we provide. We provide enough gift bags for every item sold.

**Please see the gift bag samples we have provided.*

8. When the child has finished shopping....the gifts selected and his/her envelope are given to the cashier. The items are totaled with our online register and everything is then placed in a large plastic shopping bag provided by **Natalie's Elf Shelf Holiday Store**.

9. When all of the students have shopped, you pack up the leftover merchandise in the least amount of boxes possible and request for Fed-Ex return labels through our register app or website.

We will send Fed-Ex to pickup the leftover merchandise.
WE TAKE BACK ALL UNSOLD MERCHANDISE FOR FULL CREDIT. NEVER A SHIPPING CHARGE!
