

ALUMNI SPOTLIGHT

DR. TED BLAINE

During my EMBA program that I completed in 2024 at MIT, I was particularly inspired by the robust innovation and entrepreneurship community in Boston, and the many opportunities to engage with this ecosystem to find new solutions to the many challenges we face in healthcare.

ALUMNI SPOTLIGHT **DR. SUMAN LAL**

MIT Sloan provided me with an unparalleled opportunity to pursue entrepreneurship in high technology ... It was a life-changing experience learning from a world-class faculty, but also from my classmates who were experienced, senior industry leaders and entrepreneurs from around the world.
