SPECIAL NOTES FOR A GREAT PARTY

Please arrive 10 minutes early. Due to space restraints, we can not accommodate any children that are not part of the party. Parents will need to sign in all children upon arrival with emergency contact info and any allergy info. If there is an allergy, we do ask that you please let the party coordinator know. We are NOT a peanut, nut, gluten, soy or dairy free kitchen. We will make every effort to accommodate your child but there is a risk of cross contamination since we do use some common allergens in our parties.

For comfort and safety, we recommend flat non slip closed shoes (no sandals), no jewelry on hands or wrists and ponytails for girls with longer hair. This is a hands on activity that can get a little messy...the kids really get into their candy making, so just keep that in mind when getting dressed.

If you drop your child off and leave, please be sure to sign them in with an emergency name/number contact and plan to return at least 5 minutes before the party's scheduled end time.
