

DD-300 & DD-301

Non-display Doppler Systems

Newman Medical is proud to offer a full line of Doppler systems with the performance and durability you expect to meet your application - obstetrical or vascular. The **DigiDop 300 and 301 Non-display Digital Doppler Systems** have unique features not found in other Doppler systems such as Digital Sound Clarity™. The DigiDop 301 adds the Smart Recharge System™. Each DigiDop is designed with the sensitivity you need while also designed to be tough and last through years of everyday office use. All our products are **Made in the USA in Colorado**. Each Newman Medical Doppler and probe must pass a series of comprehensive tests to assure quality and the durability of each product.

Probe choices include:

- ✦ 2MHz
- ✦ 3MHz
- ✦ 5MHz
- ✦ 8MHz
- ✦ 2MHz Waterproof
