

The Daily Herald Endorses Laurence “Larry” Herman For Village President!

On March 17, 2023, the Daily Herald Editorial Board endorsed **Laurence “Larry” Herman**, JD, CPA for Oak Brook Village President, noting that Larry will:

“... take a more aggressive approach when it comes to fiscal responsibility. Public safety is his top priority, which he posits the village can improve upon by strictly managing finances, eliminating wasteful spending, and expanding the use of technology (increasing the 2022 budget to add more license plate reading cameras being one example).”

“Herman’s other financial priorities include improving the village’s investment strategy to meet pension obligations; more businesses, especially sales tax-generating B2B businesses.”

The Daily Herald joins a growing roster of community leaders supporting Larry for Oak Brook President. As retiring 3-term Village President **Dr. Gopal Lalmalani** has emphatically stated in his endorsement of Larry:

“Having worked with all three of the candidates, I’m most impressed by Larry Herman, JD, CPA, who is an extraordinary civic leader. Larry has proven to me that he has the skills, experience, and vision to be the next Village President.”
