

# Foodie Fanatic

The French term "terroir," meaning "the taste of place," is perhaps a particularly fitting concept for exploring the flavors of historic Ste. Genevieve. The same fertile soil that sustained early settlers is still a part of today's agricultural practices, wine making, and culinary traditions. Taste your way through the region with dishes ranging from traditional Creole, French and German cuisines to American plates. Come enjoy a "taste of place" with our Restaurants and Dining in Ste. Genevieve! Visit our 'Dining' tab above for a comprehensive list of all of our meal options.
