2025-2026 TUITION & FEES

Tuition is due on the 1st of each month starting on September 1st and ending June 1st. Each class meets once a week. Tuition is determined by the amount of hours and minutes each individual student attends class. We take the total cost of the season and divide that number into 10 equal tuition payments. For example, a month with 3 Monday classes will be charged the same as a month with 5 Monday classes. Monthly tuition is required regardless of absences, including vacations and illness.

Family Discount:

Families that have more than one dancer in the same household (sibling or parent) that choose to dance with us will receive a discount. A 10% discount will be given to the dancer with the lesser tuition for families with 2 dancers. A 15% discount will be given to the dancer with the lesser tuition for families with 3 or more dancers.
