

VOLUNTEER FORM

Youth4hope is a 501(0)(c) Non-Profit Organization. Our Volunteer Program was created to provide services and resources to our youth in the community. Here at Youth 4 Hope we intend to create safe creative space for our driven youth and teens. We offer one on one mentorship through our volunteers to assist and target educational problem areas. We assist with college prep such as college application assistance, essays, finding and securing scholarship programs and funding through our one on one partnership with our youth. We care and explore problem areas and issues that may be present in the everyday lives of our youth, from mental health, at home and at school complications that we may be able to assist with. We also use our resources with sports, poetry, and music to create an outlet for our youth as well as possible career path in these fields.

We provide Zoom and in-person assistance poetry readings, and encourage feed-back from the children during different exercises.

To participate in our program as a volunteer, please contact us at the information above and complete the below information.
