Celebrate the Joy of Lord

Pastor Teresa Todd

—Pastor Teresa Todd

Message from Pastor Teresa Todd

We are so excited to celebrate another year of ministry! One Word Ministry has been active since 2016 when God said, "Go". That word birth the ministry we see today. It focus was and still is outreach and training. We went where God had given us to go to minister the good news! Then in 2023, He spoke and said now, "Build". I heard those words very clearly and I said yes to the office of Pastor. He had already called me at the start of the ministry, but I had not yield to the calling. With praises and hope in my heart, the "YES" was said with expectation of His guidance, direction, and anointing. He is doing just that. And now, I am filled with joy to celebrate these years of growth and manifestation of the will of God for his people that connect with us.

Let's Pray:

God we say thank you! Continue the work in us and through us! Amen
