To Whom It May Concern:

As Vice Chairman of the Veterans Day National Committee, I am pleased to inform you that the committee has officially recognized your location as a regional site for the celebration of Veterans Day 2025.

Your designation certificate is enclosed. The 2025 Veterans Day poster has been finalized, and we will send you your supply as soon as it is available.

If you are interested in receiving military ceremonial support for your site, please contact the Public Affairs Office of your closest military installation. A list of installations can be found at installations.militaryonesource.mil.

This Veterans Day coincides with the celebration of the 250th Anniversary of American Independence, taking place now through July 2026. Accordingly, we ask that you consider incorporating "America 250" themes and messages into your Veterans Day event. More information can be found at: Department.VA.gov/veterans-day, america250.org.

Additionally, I ask for your help in encouraging all Veterans to visit choose.va.gov, where they can learn about and apply for the Department of Veterans Affairs care and benefits they have earned and deserve.

Please email Vetsday@va.gov with any questions.

Congratulations on your selection and best wishes for a successful event.

Sincerely,

Curtis Cashour
