

# CALIFORNIA POLICE TRAINING MANAGERS ASSOCIATION

## Workshop Announcement

### TNA—TRAINING NEEDS ASSESSMENT

If you are a LEXIPOL agency you may not be aware that LEXIPOL requires you have a yearly TNA for any department using LEXIPOL. CPTMA recommends you attend this TNA not just for LEXIPOL requirements but for your agency.

The TNA brings professional law enforcement officers together to identify, evaluate, and predict needed training for public safety agencies. The workshop will be facilitated by senior training managers in a relaxed informative manner. Please have your training staff involved department and specialty unit training, such as FTO, Dispatch, etc. attend one of these workshops. Our POST Advisory Committee Representative will be there to take the TNA’s findings back to POST.

Non-CPTMA members may attend these TNAs. Plan 3 hours for this workshop with a general membership after the workshop. CPTMA is devoted to improving law enforcement training by networking and educating training managers throughout the state.

Two Training Needs Assessments will be conducted; one in the Central Chapter region and one in the North Chapter region. Lunch will be provided. RSVP the chapter secretaries to confirm attendance and lunch plans.

CENTRAL CHAPTER	NORTH CHAPTER
<b>DATE:</b> April 23, 2025 <b>TIME:</b> 0900 hours	<b>DATE:</b> April 30, 2025 <b>TIME:</b> 0900 hours
