Old Testament Characters: Study these ten men and their leadership skills

** Will read at least ten - fifteen chapters and some additional articles*

Business / Leadership Books: Will read them through the "filter or lens" of Christianity

** Read an entire book. Most are 200 - 300 pages*

Christian Books: Ten fantastic books that will grip your mind!

** Read an entire book. Most are 200 - 300 pages*

Minor Prophets: The most "academic" of the tracks, more like a seminary class.

** Read the individual book of the Bible as well as some additional readings*
