2nd Vice President/Treasurer Dewayne Corbett has left the building here at Coast Guard Headquarters. Effective July 3rd, 2VP Corbett is a Supervisory Transportation Specialist in the Transportation Management Division at Federal Emergency Management Agency (FEMA), where he expects to lead the team that prepares the evacuation and emergency response plans in the event of disasters. Several of our chapter members and a few other guests met up briefly to send him off fondly, but just from the building. 2VP Corbett will fulfill his full term in both positions and we hope he will remain with the chapter for a LIFETIME. 😊
