

HOLY COW

WE'D BEEN DRAGGIN CALVES AND
BRANDIN
SINCE EARLY MORN
PENNING AND PREGG CHECKING OLD
COWS
TO SEE WHEN THE CALVES WOULD BE
BORN
WE WERE HAVIN LOTS OF LUCK
I GUESS
THINGS WERE GOING OUR WAY
BUT IF YOUVE EVER DONE ANY
COWBOYIN
YOU KNOW THINGS DONT ALWAYS STAY
THAT WAY
THERES ALWAYS THAT ONE
THAT ONE THAT JUST CANT WAIT
THE ONE WHO WANTS TO BREAK OUT
AND TRIES TO JUMP THE GATE
THE ONE THAT'LL HOOK YOU
HORN YOU OR JUST BALL AND BUCK
THE KIND THAT'LL DRIVE YOU CRAZY
THAT YOU JUST WANT TO HIT WITH THE
TRUCK
BUT THINGS WERE GOING GOOD
EVERYTHING LOOKED FINE
NOW LET ME TELL YOU
I WOULD HAVE STOPPED FOR LUNCH
IF I HAD KNOWN SHE WAS THE NEXT IN
LINE
TWO MORE THATS ALL WE HAD
THEN WE'D BREAK FOR OUR NOON DAY
FEAST
HOW WAS WE TO KNOW IT WOULD TAKE
THE NEXT FOUR HOURS
TO WRANGLE THIS WILD COW BEAST.
SHE HIT JOHNNY AND SHE HIT RANDY
AND THEN SHE JUMPED THE GATE
RAN DOWN THE ALLEY OUT IN THE
PASTURE
OVER THE HILL TOWARDS THE LAKE

so we mounted our ponies
took off after her in a dead run
i hate doin this this kind of stuff
but the young guys think its fun
we got to the bank she was in the water
i dont think shes comin back
when Lane said hey boys ive got an idea
ill catch her in my kayak
so he got in his little boat with his little two ended paddle
rode out and passed her and by george
now he's chasing cattle
he turned her around and headed her back
now shes comin to the shore
so . i guess we better get ready
cause theres
no telling what shes got in store
she hit the ground runnin
passed us like we were settin still
out of the bottoms up thru the pasture
and right back up over the hill.
we all sat there dumb founded
didnt none of us know what to say
when Tracy looked at us and said
well boys
all we can do now is pray
we been going about this all wrong
our ropes have failed
that ceyoose is faster than your normal steed
we need to call on the Lord cause we need help
and God is what we need
so we removed our hats, folded our hands
and he said lets all bow

he said God we come humbly asking
please help us catch this ole wild cow.
toby had chased her up over the hill
and now he came back a runnin
said i know you aint gonna believe this fellas
said i know your gonna think im funnin
but shes down there .head in the chute
and their checking out her right now
Tracy said Amen God answers prayer
and i just said
Holy Cow
he said your right take it from the goodbook
theres one in every heard
but even the worst can be transformed
by the power of Gods holy word
you saw it today as she caused all that havaock
and look at her down there now
God took a beast that was tearin things apart
turned her soul upside down
so now each day we pray before we head out
take this Devil and calm her down
God please tame this wicked beast
and turn her into a Holy cow
