

Unlocking Potential. Enabling Success.

Team / Department / Organizational Culture Assessment

- A comprehensive evaluation which provides a snapshot of the current workplace culture. Utilizing our proprietary 3C Performance Modeling inventory, participant's discover their personal work approach and how they are best able to contribute to the key goals and objectives through their strengths. Additionally, leadership is able to identify gaps in the current culture that may be hindering performance. Take-aways include targeted, data-driven action plans to move the team/department/organization forward faster.
