## **Big Shout out and Standing Ovation to all our KPop Stars:**

**Aria, Addyson, Cataleya, Cayleigh, Luna, Pilar, Riley, Skylar, Vivian, & Violetta** - We are so proud of each and every one of you. A few months ago, the movie Kpop Demon Hunters was so loved and popular (still is), and you were all excited about the vision to learn and accomplish these scenes and songs, and that's exactly what you all did! Thank you for each of your hard work and dedication, and for encouraging and motivating each other. I hope these last few weeks not only gave you inspiration on being an amazing performer, but also creating an even more memorable experience for a lifetime. You are all forever known as VIBE Together's "DAY ONES".

**To our incredible VIBE parents, MOMS, & DADS:** Thank you for trusting us with your kids these past months. Your support, encouragement, after-hour drop offs, extra practice days, and constant belief in their creativity made this journey possible. Watching the kiddos grow these last months in confidence, teamwork, and artistry has been such a joy, and it truly takes a village.

Thank you for continuing to be part of this new chapter (Ms. Gee Gee), and for your constant support and encouragement, this is NOT possible without you!!!

Special Shout Out to Susie (Skylar's Mom) for assisting Ms. Gee Gee in pushing the kids to get their lines and dances top tier, and Annie (Luna's Mom) for helping with our Kids Night Out, extra practices, and going the extra mile for our kids.

**The Osada3:** Thank you for being part of our very first showcase, your talents and energy is unmatched. It's so amazing to see your growth, and how hard work, and dedication can take you to places and receive opportunities like no other.

**Our amazing Co-Founder/Community Director, MAKITA FONTENOT:** Thank you for keeping not just myself (Ms. Gee Gee) grounded, but your constant time, energy, dedication, loyalty, and physical work in making this mission of ours possible. Thank you for being the backbone of VIBE and The ReVibe Shop.
