

## **Application Record Copies and Existing, Unrestricted, Supporting Documentation for Record Copies**

The DAR uses the term “record copy” for a reproduction of an approved membership application paper or a copy of an approved supplemental application paper. A “supplemental application” is a, additional form that a member files tracing her lineage back to an ancestor different from the one on whom she joined on her original application.

The term “documentation” refers to the supporting materials that came with an application or supplemental application. The older the application is there is a greater likelihood that no documentation now survives. In the years before easy access to photocopy machines (roughly the 1960s), many members requested that their documentation be returned to them. The DAR honored these requests until about 1984. As a result, prior to 1984, a major percentage of applications and supplementals do not have supporting documentation. After that date, all documentation should be present with some exceptions. The DAR does not guarantee that documentation within these files will meet today’s genealogical standards and will be acceptable for current or future DAR applications or supplemental applications.

“Restricted” documentation is material, such as vital records, that is less than 100 years old. The DAR does not make such documents available for copying or for research under any circumstances. Vital records for a number of states are available online through a variety of websites. For those records that are not online, researchers must contact the appropriate state office to obtain such copies under state laws and the restrictions that will apply

### **RESTRICTIONS ON USE OF THE DOCUMENTS YOU JUST RECEIVED**

Purchase of a record copy of a DAR application paper or supplemental application paper does not transfer any intellectual property rights or ownership to the purchaser. The DAR asserts copyright protection on record copies and prohibits the posting of images of DAR application papers and supplemental application papers online in any form by anyone. By ordering a record copy either electronically, by mail, or by fax, the purchaser acknowledges awareness of this policy and agrees not to post images online.

Supporting documentation files are comprised of documents from a variety of sources and repositories. DAR makes no assertion of ownership or copyright. Copies are provided for personal research purposes only. Researchers should contact the original owning repository for permission to publish.

**All record copy fees are non-refundable, and no substitutions will be made.**

Membership and supplemental application papers of active, deceased, resigned, or dropped DAR members may be ordered by mail or by fax for a fee of \$15.00 per paper via the DAR Library’s [Copy Service](#).

To order copies of supporting documentation by mail, contact the Library’s [Search Service](#). The Search Service does not provide record copies. For more information, [visit our Search Service page](#).
