DEDICATION AND THANK YOU

In grateful appreciation and recognition of your many, many years of service, hard work and dedication to the Citizens of the Town of Burnham...

LYLE CHADWICK

Born on March 24, 1926, Lyle Chadwick founded the Volunteer Fire Department in 1959 and became the first Fire Chief for the Town of Burnham – a position he held until resigning in April of 2017. In addition, Lyle has also served the town over the years on the Budget Committee, Selectman, School Committee, Special Constable, Comprehensive Planning Member, Land Use Committee, Community Development Planning Grant Committee, Moderator, Grand Marshall of the Sesquicentennial Parade, 911 Committee, New Fire House Committee and Fire Warden, as well as visiting schools for Fire Safety Instruction. In the late 1990's, the new fire station was dedicated to Lyle. In 2001, Lyle was awarded the Ethel Kelley Memorial Award and was Fire Chief of the Year. In 2013, Lyle was awarded The Maine Spirit of America Award for commendable community service.

Thank you, Lyle, for 58 plus years of service to the Town of Burnham!

ARLENE MILES

Born on December 23, 1933 in Burnham, Arlene became the Town Treasurer in 1953 at the age of 19. She graduated from Maine Central Institute and was elected Treasurer the following year and has been elected consecutively ever since - a highly unusual statistic for an elected official. Her hard work and dedication to the town earned her nominations for the Ethel Kelley Memorial Award in 2003 and 2009. The town recognized her 50th year as Treasurer and being a valuable asset to the town in 2003 with a surprise celebration. In 2014, Arlene was also awarded The Maine Spirit of America Award.

Thank you, Arlene, for 65 years of service to the Town of Burnham!

The Town of Burnham not only applauds you, Lyle and Arlene, but also recognizes the exceptional contribution that you've made to our community. Thank you!

LETTER OF TRANSMITTAL

As required by law, we hereby submit the **Annual Town Report** of the municipal activities of the Town of Burnham by the various department heads, committees and organizations for the year ending December 31, 2017.

We closed the books December 29, 2017 at noon with a General Fund balance of **\$1,194,190.64**. This money is invested in an interest bearing account.

Work began at the **Veterans Memorial** on North Main Street with the removal of the decaying large shrubs. Also, two applications of treatment to eliminate the horsetail were applied, with a third application to come this Spring. Lynch Landscaping of Skowhegan provided the service and we will continue to communicate with them regarding additional modifications to the planting arrangements.

The Selectmen have held discussions regarding recreational access to the Sebasticook River. The shorefront along the Veterans Memorial property will be viewed as one option to river access and perhaps a picnic site, depending on permitting approval.

Please take a moment to check to make sure your **E911 number** is present on your home, mailbox and at the end of your driveway. Some numbers are now gone – please replace them! If there is an emergency in your home and you need help, the number will clearly identify where the emergency is located. Time is of the essence in an emergency!

Regarding the **I95** interchange proposed at **Johnson Flat Road** – meetings were held with the Waldo County Commissioners and the Kennebec Valley Council of Governments in the summer of 2017. While the County Commissioners applauded our efforts and wished us well with the proposal, they were not in a position to provide any financial or professional support. The meeting with KVCOG's Planning Director, Chris Huck, was cordial, however, it was advised that our process will require significant capital expense, beginning with a DOT required traffic study. The director cautioned that without a real economic advantage to be realized, it would be unlikely that DOT approval would be forthcoming. The voters will be asked at Town Meeting to determine what direction to take with the proposed project.

Participation in **town events and planning committees** continues to be an important contribution to our town. We request that anyone with an interest in town activities become involved! NOTE: Planning for the Burnham Bicentennial, although a few years in the future, should be moved a little further toward the front burner so that ideas can be formed and logistics developed for the event.

We are looking forward to discussion at Town Meeting regarding the development of a **town website**. The value and time savings to our residents and town administrators will surely make this a prudent course of action.

We support the suggestion that Burnham acquire and display **American flags** in various areas of town and we look forward to town discussion in favor of this patriotic suggestion.

Respectfully Submitted,
George Robison, Chairman of the board

Annual Report to the Town of Burnham

A Message from Senate President Michael Thibodeau

Dear Friends and Neighbors:

It is an honor to represent you in the Maine State Senate for a fourth term, and the second as the Senate President. Term limits prevent me from running for the Maine Senate again. I am grateful for the trust and confidence you have placed in me over the years by allowing me to represent you in Augusta.

The second session of the 128th Legislature is underway, and before we adjourn in April my fellow legislators and I will be considering important matters such as tax conformity, marijuana legalization implementation, Medicaid expansion, and many others.

I am glad to inform you that in the previous session, Maine Senate Republicans were successful in our effort to eliminate the surtax from the state budget. This was a top priority for my Senate Republican colleagues. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state’s economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after a lot of hard work and negotiating, thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also reinstated the tip credit for food servers following the longest public hearing at the State House in recent memory.

Finally, we passed a measure to make Maine compliant with the REAL ID Act. Because of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens will continue to be able to use their driver’s licenses to board commercial airplanes and access certain federal buildings beginning.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to help in any way that I can. I can be reached in Augusta at 287-1500.

Sincerely,

SUSAN M. COLLINS

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make "catch-up" contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Waldo County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor office at 207-945-0417 or visit my website at www.collins.senate.gov. May 2018 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

January 3, 2018

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,

WALDO COUNTY PROBATE COURT
ANNUAL REPORT

To the Citizens of Waldo County:

Thank you for your interest in Waldo County Probate Court.

In Waldo County Probate Court, we address family matters such as guardianships (for both minors and adults), adoptions, name changes and wills and trusts. In many of these matters, we have the opportunity to work with unsung heroes offering amazing help to loved ones.

For families who cannot agree, we try to help first by offering them a reduced-price mediation opportunity. Most opt to try mediation. And most who opt to try actually do resolve differences.

For those who cannot resolve differences in mediation, we next offer a pre-trial conference to prepare the parties for the hearing. For the many who appear in court without a lawyer, at this pre-trial conference, we explain their need to organize arguments, witnesses and exhibits. In so doing, we hope to help all parties be able to appear at their hearing ready and able to present their case effectively and efficiently.

Beyond mediation and litigation, we offer educational opportunities in the form of “probate basics” workshops. On this note, please be reminded that, every fall, you are invited to a free probate basics workshop. At these, you can receive free Maine legal forms and explanations for organizing your very important advance directive for health care and financial power of attorney. If you are interested in attending one of these free probate basics workshops, starting in September, watch in local papers and adult education booklets for the dates, times and places.

Lastly, a note regarding passports: Please know that you can save yourself any extra time to travel to Bangor or Augusta and simply apply for your passport in the Office of the Register of Probate.

Concerning our location, Waldo County Probate Court and the Office of the Register of Probate is located at 39A Spring Street in Belfast (on the floor below District Court). Office hours are Monday through Friday from 8:00 a.m. to 4:00 p.m.

Respectfully,

Susan W. Longley

GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Citizen of Burnham:

For the past seven years as your Governor, my priority has been to make Maine—our people—prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings—totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development—shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage

TOWN CLERK'S REPORT

REMINDERS...

Are you new to town? Have you applied for your **HOMESTEAD EXEMPTION**? This exemption is currently worth up to \$15,000 off your assessed value. You must be a resident of Burnham, have owned your home (which is your primary residence) for at least one year and file an application by April 1st. Applications are available at the Town Office. This is a one-time application and as long as you own your home, there is no need to reapply!

VETERANS who have served in a federally recognized war period, have reached the age of 62, or are receiving government compensation for a service connected disability, may be eligible for a **Veteran's Property Tax Exemption**. Applications are available at the Town Office. Please bring with you your DD214. If you are an un-remarried spouse of a deceased Veteran who may have met this criteria, you may also be eligible. This is a onetime application.

DOG LICENSES expire on December 31st.

- Once a dog is **6 months old**, it needs to be licensed!
- You must have a current **rabies vaccination** certification (we will then keep a copy on file).
- If your dog is neutered or spayed, the cost is **\$6.00**. (You must show verification from your veterinarian that your dog has been fixed!) Otherwise, the cost is **\$11.00**.
- As of February 1st, a **late fee** of \$25.00 per dog is collected, along with the cost of the license.

FIRE CHIEF'S REPORT

To the Citizens of Burnham:

I would like to thank the Town of Burnham for giving me this opportunity of being the Burnham Fire Chief. I just hope I can do as good a job as Lyle Chadwick did for 59 years.

I would also like to thank the firemen and their families for their dedication in making the fire department what it is today.

This past year this fire department responded to:

- 16 structure fires, 10 being mutual aid to surrounding towns
- 4 grass and tree fires
- 5 car accidents

Besides being able to update our forestry truck, we purchased 6 newer air packs from the City of Ellsworth, at a quarter of what brand new ones cost, as our old air packs were getting hard to complete the required testing on.

I hope this year will be a safe one for all and thank you for your continued support.

R. Charles King
Fire Chief

HIGHWAY COMMISSIONER'S REPORT

To the Citizens of Burnham,

This has been a successful year regarding the amount of work we were able to accomplish on our Town roads, with the majority of the work being done on the Mount Road. Last Spring, the selectmen and I met with an Engineer from Plymouth Engineering regarding the bump in the middle of Drummond Hill on the Mount Road. We took his recommendation, fixed the hill and are in hopes it is an improvement.

We were also able to remove a lot of the brush and dead trees along the sides of the roads.

If we can keep up with the maintenance on different roads each year, they should be ready for new hot top when the time comes.

I would also like to thank everybody that helped in clearing the debris from our roads after the big wind storm at the end of October.

Thank you for your support.

R. Charles King
Road Commissioner

SPECIAL TOWN MEETINGS

SPECIAL TOWN WARRANT – 05/22/2017

To Cay Jones, resident of the Town of Burnham, County of Waldo, State of Maine.
