The Town of Unity made a request that the residents on the Unity end of Young Lane be able to use the Burnham Transfer Station for their trash, (one resident has had a Burnham Transfer Station sticker for years – both blue & orange) due to the distance Sullivan's would need to travel for curbside trash pickup. Although no motion was made, the Select board voted unanimously not to allow these Unity residents to use the Burnham Transfer Station and stated we need to revoke the sticker the Unity resident currently has.
