

You may be aware that the new regulations apply from 25 May 2018 relating to the way we hold, store and use data relating to clients we act on behalf of (General Data Protection Regulation, or also referred to as GDPR). The new regulations are designed to ensure data held in respect of individuals is stored only when and if there is a requirement to do so, and only used in appropriate ways. You have a right to ask us what information we hold relating to you, and request that we correct the data if required.

**Rest assured we never pass any information held on to third parties without explicit permission from the customer/supplier involved.**

**Marketing – Privacy Notice**

From time to time we would like to send you some marketing information about any new products or services we offer that may suit your needs, and notifications of any changes in law or regulations that may affect you. These communications will only be sent from a **Delta Components (@deltacomponents.com)** email address and generated internally. Please can you reply to this email stating that we either have your permission to use your details for marketing purposes, or that we do not have permission to do this.

We thank you in advance for your time and look forward to hearing from you shortly.

Best regards,  
**Delta Components**
