Logan Ladd

"Luccock Park didn't just inspire me for a summer — **it reshaped the direction of my life.** I've found joy in worship, purpose in serving, and a faith that is no longer passive but active and growing."

"At Luccock, I can safely reflect on my life, grow closer to God, and create lifelong memories. **Without Luccock, I wouldn't be where I am today.** It taught me to hold empathy and compassion for others, and helped me build deeper connections."

Now, we're asking you to **help us keep our mission going strong!**
