PROPHETIC VOICE FOR THE MONTH OF JULY 2017

"IT SHALL BE THE MONTH OF THE REVEALED TRUTH"

"All that you should ever know has been revealed through My Son. He who cannot see My Revealed Truth in the face of My Son will stumble and fall because he walks in darkness."

"I chose Paul to be the one through whom My message of who I Am shall be known."

"These are the days of perversity. Many who call themselves My servants have not known this path."

"You must seek to know and understand My ways. Most importantly you must believe and understand you came from Me. It is only your complete understanding of Me that defines everything in your life."

"Let My Spirit blow in and out of you, let Him. Let this Glorious Bliss of heaven make you see what you are and would ever be in me."
