THE PROPHETIC VOICE FOR THE MONTH OF APRIL 2018

IT SHALL BE THE MONTH OF THE GLORY OF THE KINGDOM

The glory of any kingdom is the influence of it upon its territory or its colonies. The influence of any kingdom is the manifestation of its culture. When a kingdom colonises a new territory, it must ensure to transfer its culture to the new territory. When it does, its glory shall be seen upon that new territory.

“I came on earth from heaven to colonize the earth and to transfer heaven’s culture on the earth which, is the will of the Father. This is what I meant when I said in My Word that My glory shall cover the earth like the water covers the sea. This is the season for the fulfillment! You are my chosen kings on the earth. Through you, my influence shall be felt in every domain.”

Amen
